Vibrant News Updates!

From Michael Bergonzi

NOTE our new phone number: 1-860-294-4620

Welcome to my new email marketing company / eblast! Full newsletter will be back starting in July or August.

My first words have to be 'Thank you' for all the email support and kindness! I have received over 100 email messages within the first 24 hours of sending out my message that VHI is moving. Many of you wanted to help in some way or another, offer a place to look at that was for sale, rent, or just to say 'we support you Michael and your VHI mission'. It's great to know so many people understand and care about the work we are doing. With the help of Donna Bergonzi - Boyle, we have reached new clarity, and so have all of our guests. Thank you, to my sister, for growing this mission.

Thank you for your support!

To be sure we are all on the same page, right now we (my staff and I) are looking for a location just to live for a few months while we search out the right space that will fit our (Vibrant Health Institute) needs. I am keeping the VHI team together and we all need a place to live, sleep and work. Right now, we all live here, on campus, and need to move by out by June 20th. There are four of us on the team and would need at least 3 bedrooms. So, if you know of a 'rent free' / pet free house, anywhere in the US, that may be open, or you have a furnished basement with a few rooms, we would love to be your housemates! We are all clean, quiet and kind. In exchange (if needed), we will help you convert your kitchen space into a more 'healthy user-friendly' space as well as light housekeeping. We do not

have an exact time frame needed, except to say 1-6 months, as we search for the right location.

Now for an update on our progress with moving Vibrant Health Institute to another location. So far, there are only a few real options on the table. Mainly locations that are for rent, lease or sale, have been offered, which we are not in the market to purchase, rent or lease anything. I split with my finance partner, so there is nothing in the VHI account right now. The few locations we are considering, that people already own or are buying, will take up to one year before they would be ready to occupy. We would like to find something much sooner and re-open right away. There have been so many people that are calling and sending emails wanting to come for a detox, reboot & clarity connection, or weight loss right NOW! Hopefully good news is on the way! As soon as we know more, you will receive another email update.

As of now, we will be in a holding pattern until our new location is found. The right space that will fit our needs. Any financial support you can offer will go a long way in helping VHI and our team during this transition.

Thank you,
Michael Bergonzi

FUND RAISING

VHI on the ROAD this Summer!

VHI: Donna and Michael on the road!

Host / Sponsor VHI in your town!

Summer travel for VHI on the road is here! A new idea while we relocate is to travel to your area and bring VHI to you! We would offer both a weekend workshop, Friday afternoon - Sunday dinner and our week long program, Sunday lunch - Friday evening. Do you have a large room (holding up to 10-15 people) in your home for lectures, yoga and eating? Or maybe even hosting the location in a hotel? Some place to make green juice and the raw food meals, or a local source to purchase them from would also be needed.

We are putting together the flyers now and will also advertise your location in our monthly eblast, website and social media forums. This is a win / win for all of us! We would like the option for guests to stay over somewhere close by as well, for the weekend or week long program. If you would be interested in sponsoring us to come to your location, please email me direct to: michael@VibrantHealthInstitute.com

Fund Raising! VHI is looking to relocate!

Financial help is needed more than ever! If you would like to make a small (or large) donation, please visit:
<http://vibranthealthinstitute.com/donations/> Any amount will assist in finding and opening our next location. If you have a deposit with VHI for a future stay, they will all be honored at our next location.

Please also note that we will double the amount you have put down for your upcoming stay with us. Also note, that we (Vibrant Health Institute or Michael Bergonzi) do not physically have your deposit monies. The bank account was not in Michael's name. However, we will still honor your deposit, double it's value and extend it for another year with VHI.

Please call or email if you have any questions. Info@vibranthealthinstitute.com 1-860-294-4620, anytime! Please leave a short message and allow us 24 hours to return your call. Email will have a faster response time. Thank you!

All of our guests are VIBRANT!
